Student Motor Vehicles Policy

Statement of Policy:

It is the policy of the New Horizon School (NHS) Board of Directors to provide a safe environment in the classroom and on school grounds. Student parking on school grounds is a privilege. Students who hold a valid driver's license may opt to drive to school and park on school grounds.

Procedures:

All vehicles must be registered with the NHS Administrator/CEO or Designee by completion and approval of a NHS Student Driver Contract, and student drivers must display a NHS parking permit. Vehicles that are parked illegally, or not within designated student parking spaces, are subject to a fine or may be impounded at the owner's expense. Student vehicles are off-limits while on school property. Regulations for the operation of a student motor vehicle on campus will be issued upon the registration of the student vehicle. Any abuses of the driving privileges will result in the student losing the privilege to park on campus.

Misuse or abuse of driving and parking rules may result in consequences including but not limited to fines, suspension, and/or loss of driving and parking privileges. Violators may be towed at the owner's expense. Parking permits may be obtained in the school office.

The following rules apply:

1. Valid parking permits are required for and must be visibly displayed on all vehicles driven to school and *each* must be registered with the NHS office.
2. Student drivers should not arrive prior to 7:45 and should leave campus no later than 2:45 unless enrolled in an after school activity.
3. All cars must be legally parked. Students must leave their vehicles immediately after parking and may not return until the end of the school day. Exceptions require written approval from the administrator.
4. Reckless or careless driving is prohibited. A 5 m.p.h. speed maximum must be observed in the parking lots.
5. All Washington State motor vehicle laws must be followed while on school property, including but not limited to the one-way traffic pattern.
6. Music levels in student vehicles will be turned down to a reasonable level upon entering and leaving school grounds.
7. Smoking or the commission of any illegal activity in the car while entering, on, or leaving the school grounds is prohibited and subject to disciplinary and or legal action.
8. The school assumes no responsibility for damage or theft to cars parked on school grounds.
9. Any consequences incurred must be completed in a timely manner and the failure to do so may result in a loss of parking privileges and possible towing at the owner's expense.
10. Students driving to school are expected to park in campus lots designated for student parking.
11. Parking and driving privileges on NHS campus may be revoked at any time.

I have read and understand all of the above rules and regulations regarding campus parking at New Horizon School. I agree to follow all rules and realize failure to do so may result in the loss of campus parking or driving privileges and my vehicle may be impounded at my expense.
